WHEN THE COMMUNITY COMES TOGETHER, GREAT THINGS CAN HAPPEN.

In 1905, a dedicated group of community leaders joined our founder, Annie Grogan, to form the Associated Charities of Winston – the city’s first charitable organization – known today as Family Services. In 2014, eleven individuals inaugurated the Grogan Society, a sustaining circle of private support dedicated to helping Forsyth County families resolve crises, protecting victims of family violence, and preparing preschool children to succeed in school and in life. Since then, more than 175 individuals and couples have joined the Grogan Society to ensure all children and families are safe, secure, and able to reach their full potential.

Join the Community of Solutions

Members of the Grogan Society share the belief that strong families create healthy communities.

These leadership donors contribute \$1,000 or more, per year to the annual fund at Family Services.

You are invited to become a life-changing champion for our most vulnerable children and families and participate in cultivating a community of solutions and better future for all of us.
